DMACC Wins First National Championship ● ● ●

Des Moines Area (IA) defeated Davidson-Davie (NC) in a wild DI Championship game. This was the first tournament title for DMACC and just their sixth appearance in the tournament.

DMACC didn't have an easy road to the title game. The Bears had to face a fellow region 11 team, Iowa Lakes in the semifinals.

Region 11 teams are no stranger to the DII National Championship. DMACC is now the fourth region 11 team to win the past five DII National Championships.

DMACC finished the season 21-5 and their last game did not disappoint. It was a close competition the whole time. DMACC had only a five-point lead at halftime and won by only 11 points.

Their 57.1% field goal shooting helped them secure the win along with their 20-0 scoring run in the second half to pull out ahead in the final minutes.

Head coach Brett Putz was eager to get back to the tournament after his team qualified last year as the No. 2 seed but then was cancelled due to COVID-19.

The offensive battle against Davidson-Davie ended with the Bears finishing what they started last year and taking home the win.
